

201 PROPHECIES AND PREDICTIONS FOR 2005

THE COMING year is a time of great promise and devastating change, say the world's most accurate psychics, prophets and visionaries.

To prepare for the turbulent times to come, Sun has assembled a blue-ribbon panel of gifted seers and scholars, who agreed to provide 201 riveting prophecies for 2005.

They represent history's best-known sources of prophetic insight:

Nostradamus, the famed French physician and astrologer...

Our Lady of Fatima, the mystical apparition whose Three Secrets contain profound warnings for our times...

Edgar Cayce, the "Sleeping Prophet" of Hopkinsville, Kentucky...

Pope John Paul II, long time spiritual leader of the world's billion-plus member Roman Catholic Church...

Nikki, Psychic to the Stars, the gifted clairvoyant who successfully foresaw the Columbia shuttle disaster...

Martha Henstridge, psychic advisor to the crowned heads of Europe, who successfully predicted the Ben Affleck-

CLOCKWISE from top left: Nostradamus, Nikki, Martha Henstridge, Thomas Hughes, Harold George, Pope John Paul II, Edgar Cayce and Our Lady of Fatima.

Jennifer Lopez breakup and the involvement of financier George Soros in American politics...

Thomas Hughes, psychic healer and insurance industry consultant, who accurately foretold the release of the first three prisoners from Guantanamo Bay earlier this year...

Harold George, the Vatican's social and political advisor, who warned of the battle for Falujah and the death of Christopher Reeve.

Their visions of our future paint a detailed roadmap of things to come, focusing on areas of domestic living, apocalyptic and global threats, science, medicine, interplanetary events, religious and spiritual life, weather, and celebrities.
